## RE: Year 4 'Changing Me' Relationships, Sex and Health Education

Dear Parents and Carers,

As part of the statutory relationships, sex and health government guidance we are obliged to teach children about changes which will occur in their bodies as they get older. We will be teaching this through the Jigsaw scheme which we implement at Parley, it is a progressive scheme which is taught throughout the school and is recommended by the PSHE association.

Over the next half term year 4 we will be covering; how baby's grow in a womb, changes which happen on the outside, changes which happen on the inside, having a baby and puberty and how the body changes.

It is your right as a parent/carer to withdraw your child from the lessons being taught if you wish to. If you should wish to withdraw your child from these lessons or would like any further information, please get in touch with the year 4 team.

Thank you for your support,

Miss Preece and Mr Compton

Glenmoor Road, Ferndown, BH22 8QE
