Transition Event at Ferndown Middle School

Dear Parents,

We have been invited to an orienteering event to support children with their transition to Year 5. We will be visiting **Ferndown Middle School** on Wednesday 5th June to take part in this session.

We will be leaving school at about 9:30am and returning before lunch. Please make sure your child has a waterproof coat that day as we will be walking there and back.

This event has been designed to support your child with their transition. We feel that this will be valuable for whichever middle school that your child is likely to attend as they will be seeing larger buildings, meeting new people and listening to what is expected of a Year 5 child.

We do not need a reply slip for this as your consent for local walks has already been given in the pupil information sheet that you completed when your child started this school. If any details have changed then please let us know.

Thank you for your continued support,

Miss Preece and Mr Compton
